

20/40MM ROOFING PEBBLES

BURY HILL
LANDSCAPE SUPPLIES

DRY PEBBLES

WET PEBBLES

Bury Hill Landscape Supplies 20/40mm Roofing Pebbles are a naturally rounded washed pebble that is graded from 20mm to 40mm.

These roofing pebbles are used for multiple applications on green roofs, including gravel margins installed as fire-breaks and around rainwater outlets to prevent vegetation blocking the outlets.

SUITABLE FOR:

- Drainage
- Mitigating vegetation blocking drainage outlets
- Fire-break for green roof perimeters
- Habitat material

KEY FEATURES:

- Naturally Rounded
- Washed
- Graded 20-40mm
- Industry Favourite
