

PURE WHITE PLAY SAND

BURY HILL
LANDSCAPE SUPPLIES

A very safe high quality inert, non-staining, non-allergic extra fine clean soft white children's play sand which fully conforms to BS EN 1177 for safety, quality, impact and absorption. Fully washed and non-staining, our Premium Pure White Play Sand has rounded particles which will not scratch and damage your little one's eyes, making our play sand safe for use in children's sand pits and play areas and for school jumping pits and sports areas.

Please note, this exceptionally high-quality pure white play sand should not be confused with cheaper yellow lessor grade building sands, which can be both harmful and staining.
